# SECASA Services

[www.secasa.com.au](http://www.secasa.com.au)

The South Eastern Centre Against Sexual Assault (SECASA) provides sexual assault and family violence services in Victoria within the Mornington Peninsula, Frankston, Bayside, Port Phillip, Stonnington, Glen Eira and Kingston local government areas. We also work in the Greater Dandenong, Casey and Cardinia growth corridor.

## Services offered by SECASA

- 24 hour crisis service for adults, children and non-offending family members for sexual assault and domestic and family violence
- Confidential short term counselling and support for those who have been sexually or physically assaulted recently or in the past
- Confidential medium-term counselling
- Support groups
- Phone consultation facility for hearing impaired clients
- Urgent medical care and follow up when required
- Community and professional education
- Information and referral
- Legal advocacy
- Court reports
- Restorative justice facilitation
- Joint Legal Service with Springvale Monash Legal Service
- Assessment and treatment of problem sexual behaviour and sexually abusive behaviour in children and young people
