

# TZEDEK'S guide for a happy and safe PURIM

During chagim our synagogues are filled with children celebrating this wonderful time in the Jewish calendar. It is also an excellent time to have conversations about child safety with our children and young adults

## CHILDREN

Rules for body safety:

- Your body belongs to you.
- No one has the right to touch you.
- If someone breaks the touching rule, Say NO, Get away, and tell an adult.

Children should be in the care of a designated adult at all times.

Check in with your children to make sure that they are OK.

## YOUNG ADULTS

Delivery of mishloach manot should always be done with a friend or another trusted adult.

Parents of young people should discuss the impact and harm caused by heavy drinking.

**KEEP COMMUNICATION OPEN**

**HAVE A SIGN WITH YOUR CHILDREN IF THINGS AREN'T OK**

**IF YOUR CHILD FEELS UNSAFE THEY SHOULD TELL YOU OUT LOUD**
