

DEALING WITH DANGER

staying safer with online technology

The Dealing with Danger card game is designed to assist discussion with those who have a cognitive impairment about what to do when faced with common online situations.

The game is designed to be played one on one with an individual or in a group with a facilitator.

Downloadable versions of the game are available from www.secasa.com.au/pages/dealing-with-danger

Orders can also be placed and paid for by Credit Card online at www.secasa.com.au/pages/dealing-with-danger
